

## Cookie Policy

Welcome to the TechMarketView Cookie Policy

Within this policy we have explained what cookies are, our use of cookies and how to manage them in your browser.

### Cookies

A cookie is a small file containing characters that is sent to your computer when you first visit a website. When you visit the website again, the cookie allows that site to recognize your browser. Think of a cookie as being a website's memory – it remembers you when you come back. Cookies may store user preferences and other information. You can reset your browser to refuse all cookies or to indicate when a cookie is being sent. However, some website features may not function correctly.

### TechMarketView's use of cookies

TechMarketView uses the following types of cookies:

- Authentication - we use cookies to identify you when you visit and as you navigate our website our website
- Status - we use cookies to help us to determine if you are logged into our website
- Personalisation - we use cookies to store information about your preferences and to personalise the website for you
- Security - we use cookies as an element of the security measures used to protect user accounts, including preventing fraudulent use of login credentials, and to protect our website and services generally
- Cookie consent - we use cookies to store your preferences in relation to the use of cookies more generally.

### Managing cookies

It is possible to manage cookies, or to stop accepting cookies, within your browser settings. The following links may be helpful in doing this:

- [Cookie settings in Internet Explorer](#)
- [Cookie settings in Firefox](#)
- [Cookie settings in Chrome](#)
- [Cookie settings in Safari](#)

### User agreement

By continuing to use our site, you agree to the placement of cookies on your device. If you choose not to receive our cookies, we cannot guarantee that your experience will be as fulfilling as it would otherwise be.
